GREENVILLE, SC, January 19, 2006—828 International offers its customers a wide range of beautifully affordable rugs and is an important single-source supplier for many retailers. In keeping with this calling, 828 International introduces two collections—*Greenville* and *Focus*—which answer different design, construction, and fiber needs at competitive price points.

Greenville Collection

The *Greenville Collection* is named after 828 International's hometown, a state-of-the-art community with a rich history and bright future. The beauty of this special place is reflected in a series of rugs, traditionally patterned in warm, inviting colors. Each rug is power-loomed of heat-set polypropylene and has an exceptionally soft hand. 828's *Greenville Collection* is available in a full range of sizes, including 10' x 13', and has a suggested retail of \$299 for a 5' x 8'.

Focus Collection

828's *Focus Collection* is for made for those with an eye for contemporary design. The rugs are hand-tufted of wool in unique, artistic patterns that are enhanced with hand-carved accents. A variety of colorways, from muted to bold, add to the excitement and

versatility of this collection. The *Focus Collection* comes in sizes of 4' x 6', 5' x 8', and 8' x 10' and has a suggested retail of \$299 for a 5' x 8'.
